

Epic 40,000 Magazine/Firepower Index

This is an index of the Epic articles in Firepower and Epic 40,000 magazine.

Notes:

- The Rule Status column refers whether the rules in the article are official, experimental (or house rules), or rejected.
- AT2 is an abbreviation for Adeptus Titanicus II, a new Titan based game introduced in Epic magazine 1.

Firepower Magazine Index

Epic 40,000 Magazine Issue 8

Front cover: Battle between Orks and Imperial Guard.

Back cover: Another Battle between Orks and Imperial Guard.

Page	Rule Status	Article
inner front	-	The Defense of Istenbrak City (picture gallery) Pictures and brief descriptions of this Ork attack on an Imperial world.
1	-	Editorial by Warwick Kinrade Warwick discusses the contents of this issue.
2	-	Epic 40,000 Evolution II by Jervis Johnson Jervis continues to discuss the rules for the upcoming Epic 40,000 Armageddon game. Many of the rules in the first article have been updated or replaced after further playtesting. Rules for blast markers are completely changed. Flanking rules from the first article are replaced with Crossfire rules. Initiative rules have been updated and there are new rules for artillery that double their range and change their affect. Lastly there is a new rule for rolling dice in close combat.
7	-	Epic Armageddon Playtest Report by Jervis Johnson Space Marine and Imperial Guard forces duke it out in this battle using the new Epic 40,000 Armageddon rules. The report brings out the affects of the new rules as well as the new unit organization being considered (Space Marines will have many small and nimble detachments while Imperial Guard detachments will be large and ponderous).
12	-	Mailbag Letters from readers. Readers share their Epic miniature desires. Concern about the new method of allocating hits is also discussed.
15	-	Firepower A listing of which articles are Official and Experimental.
16	-	Ork-o-nowa by Keith Wilson and Friends Pictures and brief text from a massive Ork amphibious assault game involving over 50 scratch built Ork ships.
18	-	Forgeworld (picture gallery) Pictures of Forgeworld's fortifications, Leman Russ variants, Lightning fighters, super heavy tanks, Reavers, Warhounds, and roads.
20	Official AT2	Adeptus Titanicus Rules Update by Warwick Kinrade Another large batch of updates for the AT2 rules. Plasma Reactor Ratings that govern how much you can do are added, as well as a new turn sequence, and updated modifiers when shooting.
23	-	Epic Catalog A list of all available Epic miniatures along with their part numbers.
inner back	-	Pictures (picture gallery) Two pictures. The first is a digitally enhanced photo of a Warhound and Warlord striding across a desert wasteland. The second is a picture from the playtest report in this issue.

Epic 40,000 Magazine Issue 9

Front cover: Tau tanks advance through an Imperial city

Back cover: Space Marines try to hold off a Tyranid invasion

Page	Rule Status	Article
inner front	-	Tau Hunter Cadres (picture gallery) Pictures of the Forgeworld Tau miniatures.
1	-	Editorial by Warwick Kinrade Warwick discusses the contents of this issue.
2	-	Epic 40,000 Evolution III by Jervis Johnson Jervis continues to discuss the rules for the upcoming Epic 40,000 Armageddon game. Many of the rules in the first articles have been updated or replaced after further playtesting. This version mirrors the test version of the rules placed on the Epic section of the GW site. Anti-Personnel rolls now work like Anti-Tank rolls. Assaults are updated. New data sheets with weapon options are now used. The available Actions are tweaked. Blast Marker affects have been modified.
8	-	Forgeworld (picture gallery) Pictures of Forgeworld's fortifications, Leman Russ variants, Lightning fighters, super heavy tanks, Reavers, Warhounds, and roads.
11	-	Firepower A listing of which articles are Official and Experimental.
12	Experimental	Tau by Andy Chambers, Pete Haines, and Warwick Kinrade Background and rules for using the Tau in Epic. This is a "get you by" army list to use with Forgeworld's Epic Tau line. This article includes the Tau infantry, vehicles, battle suits, and flyers (excluding the Manta). It includes the Tau Hunter Cadre detachment.
16	-	Forgeworld Tau (picture gallery) Pictures of Forgeworld's new Tau line. It includes pictures of infantry, vehicles, battlesuits, and flyers.
18	-	Mailbag Letters from readers. Readers share their thoughts on Epic Armageddon and Adeptus Titanicus II (AT2).
20	Experimental	It's All in Your Warhead II by Greg Bak Rules for Plasma Death Strike missile warheads and Wide Burst Heavy Artillery Barrages. Also includes rules for firing at greater distances with scattering affects.
23	-	Epic Catalog A list of all available Epic miniatures along with their part numbers.
inner back	-	Pictures (picture gallery) Two pictures of Tyranid invasions. In the first picture the Space Marines face Tyranid infantry. In the second picture an Ork village is attacked by a Tyranid swarm.

Epic 40,000 Magazine Issue 10

Front cover: Painting of Imperial Guard Chimeras on the move at night in front of an Imperial city

Back cover: Picture of an urban battle between Space Marines and Eldar

Page	Rule Status	Article
inner front	-	Tactics: Detachment Compositions (picture gallery) Pictures of the Imperial Guard, Space Marine and Ork miniatures with advice on wisely using a mix of infantry and vehicles to complement each other.
